SCREEN PRODUCTION TALENT IN AUSTRALIA

AUSTRALIA: THE WORLD'S BEST DESTINATION FOR SCREEN PRODUCTION.

Ausfilm's key aim is the attraction of international film and television production and post-production to Australia. Ausfilm is a partnership organisation between private industry and government. It comprises Australia's Federal, State and Territory Governments and 30 private-sector companies. With offices in Los Angeles and Sydney, Ausfilm hosts a range of international events as well as providing advice, recommendations and guidance to international producers seeking to film in Australia.

The professional and knowledgeable Ausfilm team is based in Los Angeles and Sydney and provides the following ten benefits and services to its clients:

1. Australian screen incentives information and advice
2. Guidance on Australian co-production arrangements
3. Locations surveys and pitches tailored to your script/project
4. Confidential briefing about your project to state and territory screen agencies
5. Information about studio complexes, production services and equipment providers
6. Referral service to Australian creative talent, technical and producing personnel
7. Information on post-production, sound design, digital and visual effects capability and facilities
8. Travel fund (restrictions apply)
9. Comparative budget service (restrictions apply)
10. Information on immigration and import regulations and procedures

Australia's screen production community is experienced and talented. Award-winning actors, creative heads of department, efficient crews, skilful technicians and craftspeople are famous throughout the world for their "can-do" attitude.

Australian cinematographers have proved particularly successful at winning OSCARS® in recent years, with the likes of Dion Beebe (Memoirs of a Geisha), Russell Boyd (Master & Commander: The Far Side of the World) and Andrew Lesnie (The Lord of the Rings) all winners since 2001. Australian actors and heads of department are also internationally and critically acclaimed with many receiving nominations and awards for their craft from the British Academy of Film and Television Arts, the Hollywood Foreign Press Association® (The Golden Globe® Awards), and the Academy of Motion Picture Arts and Sciences (Emmy® Awards and the OSCARS®).

This factsheet provides a snapshot of Australian screen production talent and a selection of their recent credits on international productions. All are listed alphabetically by surname.
